Northeastern Utah Educational Services

**All Students Achieving
their Potential**

Serving the following Utah
Rural School Districts:

Daggett Duchesne
Morgan North Summit
Rich Park City
South Summit Uintah
Wasatch

www.nucenter.org

Who we are...

Northeastern Utah Educational Services (NUES) is one of Utah's four Regional Service Centers established to assist school districts in providing equitable and cost-effective services and programs for students in rural Utah to match those offered to students on Utah's urban Wasatch-front.

The Mission of NUES is to provide cooperative services and assist school districts in delivering efficient, equitable and quality educational programs that empower educators to increase student achievement and learning.

The NUES Facility in Heber City

The NUES service region consists of the nine rural school districts in the Northeast corner of the state, namely:

Daggett Duchesne
Morgan North Summit
Rich Park City
South Summit Uintah
Wasatch

NUES Guiding Principles:

- Practices a Service Mentality
- Nurtures Relationships
- Understands Rural Context
- Responds to Needs
- Employs Qualified Personnel
- Provides Cost-Saving Services
- Adapts Best Practices
- Manages Data Effectively
- Uses Technology Efficiently
- Demonstrates Effective Leadership
- Provides Targeted Training
- Exhibits Friendliness

The NUES is governed by a Board of Directors consisting of the region's nine district Superintendents and works closely with the Utah State Office of Education and the Utah Education Network.

What we do...

Regional Coordination

NUES provides a forum and facilitates collaboration between the nine rural school districts in their region and between regions across the State. The purpose of regional coordination is to promote best practices and to stretch dollars by combining efforts when feasible. Regional Coordination is facilitated through the following:

- NUES Board Meetings
- NUES Technology Coordinator Council
- Utah Rural Schools Association
- Legislator Meetings

Examples of collaborative projects include:

- Cooperative Purchasing (E2020, Digital SAMS, Kerio, HP Printers & paper)
- Equipment Recycling
- Grant Writing (MY Access & Data Mentor)
- Region Professional Development (Educator Endorsements & Science Outreach)

Technology Services

NUES offers many technology services:

- **Data Mentoring**—The NUES technology trainers are trained as Data Mentors to assist teachers and principals in interpreting student assessment data.
- **Electronic Equipment Repair**—Phil Thacker is the NUES Technical Support Specialist, he can repair anything with a power cord. Equipment can be submitted through the media service.
- **Network Engineering**—Don Remy is the NUES Network Engineer and can assist in designing and implementing a number of computer networking tools and infrastructure including:
 - Diagnostic Tools
 - Filters
 - Firewalls
 - Koha Library Systems
 - Linux Systems
 - Network Security
 - Server Building and Installation
 - Traffic Segmentation (Vlans, NAT, Etc.)
 - Voice over IP
 - Wireless, Etc.
- **Technology Integration Training**—Robert Gordon and Lorrie Cook are the NUES technology trainers and they can provide individual and group training in:
 - Digital SAMS
 - iTunes U
 - MY Access
 - Pod Casting
 - Productivity Applications (MS Office and Apple iWork)
 - Technology Tools (iPods, Smart Boards)
 - UEN Tools (Pioneer, MY UEN & Wimba)
 - UTIPS, Etc.

Media Services

Jennifer Ostergaard is the NUES Media Specialist. The NUES Media Library consists of over 6,000 VHS tapes and DVDs that can be borrowed on a weekly basis. The media collection also contains a number of classroom instructional kits (rocks, fossils Etc.).

Media is delivered once a week to region schools. Items may be reserved via the NUES web site at www.nucenter.org. New titles can also be duplicated and placed in your school upon request. See your school media specialist for more information.

School produced DVD duplication is also available.

Reading and Literacy Services

Ranell Wakefield is the NUES Reading and Literacy Specialist. Ranell represents the NUES region on the State Literacy committee and is available for individual mentoring. She can also assist in group trainings on the following topics:

- DIBELS testing and conferencing
- Latest Literacy Research
- MY Access
- Reading Coaching
- Six Traits Writing
- STAR Program

Other Programs

If a program, service or training you are looking for is not listed, please contact Duke Mossman at dmossmann@nucenter.org and he will direct you to the appropriate resource if it is not provided by NUES.
