Who we are...

Northeastern Utah Educational Services (NUES) is one of Utah’s four Regional Service Centers established to assist school districts in providing equitable and cost-effective services and programs for students in rural Utah to match those offered to students on Utah’s urban Wasatch-front.

The Mission of NUES is to provide cooperative services and assist school districts in delivering efficient, equitable and quality educational programs that empower educators to increase student achievement and learning.

The NUES service region consists of the nine rural school districts and two Charter Schools in the Northeast corner of the state, namely:

Daggett Duchesne
Morgan North Summit
Rich Park City
South Summit Terra Academy
Uintah Wasatch
Weilenmann

NUES Guiding Principles:

- Practices a Service Mentality
- Nurtures Relationships
- Understands Rural Context
- Responds to Needs
- Employs Qualified Personnel
- Provides Cost-Saving Services
- Adapts Best Practices
- Manages Data Effectively
- Uses Technology Efficiently
- Demonstrates Effective Leadership
- Provides Targeted Training
- Exhibits Friendliness

The NUES is governed by a Board of Directors consisting of the region’s nine district Superintendents and charter Director who work closely with the Utah State Office of Education, Utah Education Network and the State Legislature.
Regional Coordination:
NUES provides a forum and facilitates collaboration between the eleven rural LEAs in their region and between regions across the State. The purpose of regional coordination is to promote best practices and to stretch dollars by combining efforts when feasible. Regional Coordination is facilitated through the following:

- NUES Board Meetings
- NUES Technology Coordinator Council
- Utah Rural Schools Association
- Legislator Meetings

Examples of collaborative projects include:

- Cooperative Purchasing (EdGenuity, Kerio, HP Procurve, Sophos, Adobe Etc.)
- Region On-line Driver’s Education Program
- Grant Writing & Region eBook System
- Regional Professional Development (Educator Endorsements & Literacy Workshops), Etc.

Technology Services:
NUES offers many technology services:

Network Engineering
Mark Houtz is the NUES Network Engineer and can assist in designing and implementing a number of computer networking tools and infrastructure including:

- Diagnostic Tools
- Filters
- Firewalls
- Lab/Workstation Imaging
- Network Security
- Server Building and Installation
- Server Hosting and Backup
- Traffic Segmentation (VLans, NAT, Etc.)
- Voice over IP (VOIP)
- Wireless Installation, Configuration and Analysis
- Wiring, Etc.

Technology Integration Training
Andrew Clark is the NUES technology trainer, and can provide individual and group training in:

- USOE Tools (SAGE & UTIPS Formative Assessment & Utah Compose)
- Media Creation (Garage Band, iMovie, Photoshop & Audacity)
- Productivity Applications (MS Office, Apple iWork & Google Apps)
- Technology Tools (iPads, iPads & Interactive White Boards)
- Web Tools (Web Pages, Blogs, Wikis)
- UEN Tools (Pioneer, MY UEN & NetSafe)

Media Services:
Dawn Roberts is the NUES Media Specialist. The NUES Media Library consists of over 3,000+ DVDs that can be borrowed on a bi-weekly basis. The media collection also contains a number of classroom instructional kits (rocks, fossils Etc.).

Media is delivered every other week to region schools. Items may be reserved via the NUES web site at www.nucenter.org. New titles can also be duplicated and placed in your school upon request. See your school media specialist for more information. See the new region eBook system at:

http://nucenter.lib.overdrive.com

Curriculum Services:
Karen Sampson is the NUES Curriculum Specialist. Karen represents the NUES region on the State Literacy, Math and Curriculum committees, and is available for faculty, grade-level, and individual mentoring. She can also assist on the following topics:

- Thinking Maps
- Latest Literacy, Writing & Math Research
- Utah Core Strategies
- Literacy & Math Coaching
- Curriculum Mapping & Foldables
- Regional Grade-level Math Cohorts, Etc.

Other Programs
If a program, service, or training you are looking for is not listed, please contact Duke Mossman at dmossman@nucenter.org and he will direct you to the appropriate resource if it is not provided by NUES.

What we do...
