2021 Competition

► Details:

Due to the continuance of Covid-19 restrictions, the Northeast Region High School Art Show revised their competition format to recognize up to 5 students per region high school as selected by their school's art teachers, instead of a judged competition by category. School selections follow...

The background features a solid lime green field on the left, which transitions into a series of overlapping, semi-transparent green triangles and polygons on the right, creating a dynamic, layered effect. A thin white line also runs diagonally across the right side.
