Carsyn Ball - Morgan High School

The background features a complex geometric design. On the left, there are overlapping, semi-transparent shapes in various shades of green and a dark blue-grey. These shapes create a sense of depth and movement. The right side of the image is a solid, bright lime green. Centered on this green background is the text '▶ English' in a clean, white, sans-serif font. The triangle symbol is positioned to the left of the word 'English', pointing towards it.

Lily Wilson - Uintah High School

The background features a solid green field on the left, transitioning into a series of overlapping, semi-transparent green triangles and polygons on the right. These shapes are arranged in a way that suggests depth and movement, with some pointing towards the top right and others towards the bottom right. The overall effect is a modern, geometric aesthetic.

The background features a complex geometric design. On the left, there are overlapping, semi-transparent shapes in various shades of green and a dark blue-grey. These shapes create a sense of depth and movement. The right side of the image is a solid, bright lime green. The word 'Science' is centered in the white space between these two areas, preceded by a small white triangle pointing to the right.

The background features a vibrant green gradient on the right side, transitioning into a dark blue area on the left. Overlaid on the left side are several overlapping, semi-transparent geometric shapes in various shades of green and blue, creating a layered, abstract effect. A thin white line is visible in the bottom-left corner.

The background features a vibrant green gradient on the right side, transitioning into a dark blue area on the left. Overlaid on these colors are several overlapping, semi-transparent geometric shapes, primarily triangles and quadrilaterals, in various shades of green and blue. A thin white line runs diagonally across the lower-left portion of the image.
